Once you arrive in Palmer on the Glenn Highway, turn east (right) on **Arctic Avenue**, (there is a Fred Meyer gas station on the corner), also called the Old Glenn Highway. On Arctic Avenue/Old Glenn Highway you will go past the cemetery (on your left) and airport (on your right) at **7/10th of a mile**, and then cross over the Matanuska River Bridge at **1.5 miles**. At **2.4 miles** you will turn left onto **Clark-Wolverine Road**, which is the second left after crossing the Matanuska River Bridge. (The first left is Robin Lane.) Turn left at the first T-intersection at **8/10th of a mile**, turn right at the second T-intersection **1.5 miles**. Continue on through the S-curves. After traveling **3 miles** on Clark-Wolverine Road (after turning off from Arctic/Old Glenn) there is another intersection. Wolverine Road will turn left and Clark Road will continue straight ahead toward the mountains. **Go straight ahead on Clark Road**. After **1/4th mile** you will see the Walter T. Phillips fire station on your left. When Clark Road comes to an end turn left onto InterAct Ministries' driveway.

You will see the InterAct Ministries sign on your right as you drive up the driveway. InterAct Ministries' Alaska Field Office is in the building to your right at the top of the hill. To find the building you will be staying in, please consult the "InterAct Ministries/Alaska-Lazy Mountain Facilities" map.
